

A vibrant, cartoon-style illustration of a space station's interior. The central focus is a large, empty calendar grid with six columns labeled in Finnish: 'kello', 'maanantai', 'tiistai', 'keskiviikko', 'torstai', and 'perjantai'. The grid is surrounded by various space-themed elements. At the top, there are yellow pipes and a large yellow 'TUUM' text. To the left, there are orange planets and a small robot. To the right, there's a purple robot and an astronaut in a white suit. The bottom features a control panel with yellow buttons and a hammer. The background is a dark space with stars and a blue planet.

A vibrant, cartoon-style illustration of a space station's interior. The central focus is a large, empty calendar grid with six columns labeled in Finnish: 'kello', 'maanantai', 'tiistai', 'keskiviikko', 'torstai', and 'perjantai'. The grid is surrounded by various space-themed elements. At the top, there are yellow, bubbly structures resembling alien life or machinery. To the left, a small, round, grey alien-like creature is visible. On the right, a character in a light blue spacesuit with a helmet and a small antenna is looking towards the calendar. The background is a deep blue space with stars, a comet, and a large, orange, ringed planet. The overall style is playful and imaginative, suitable for a children's activity book.
